

# How It Works

1

**LOG IN** lib.mylibrary.com

New Titles | Recently Viewed | Most Popular | Browse by Subject >>

To search for titles you can browse by subject. You can also select new or the most popular titles.

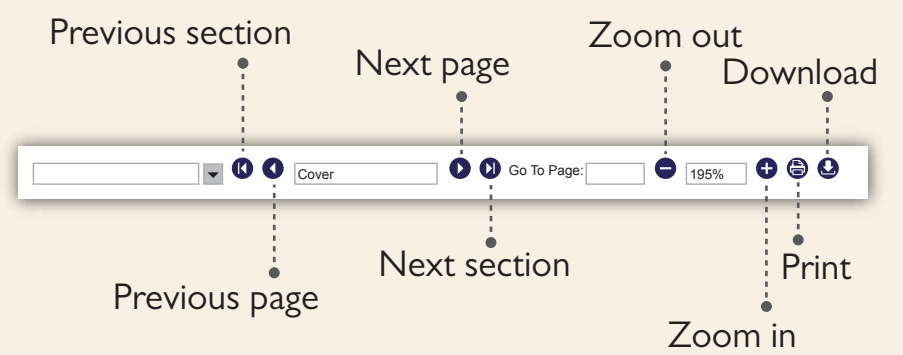

2

**CLICK ON THE SELECTED TITLE TO VIEW AND READ THE CONTENT**

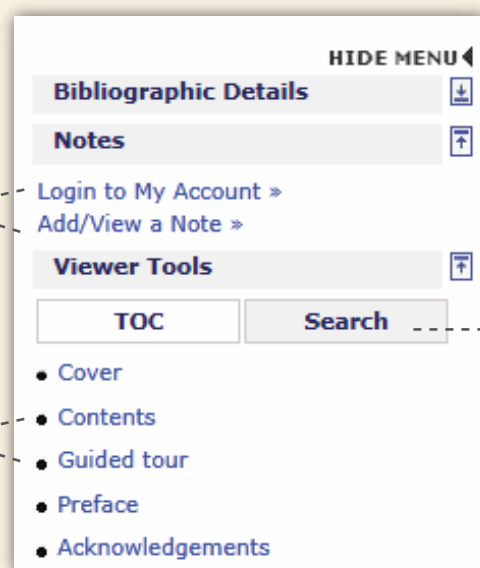

3

**USE THE ICONS AT THE TOP**

4

**NAVIGATION**  
Use the left navigation pane to:

Login, personalize & make notes

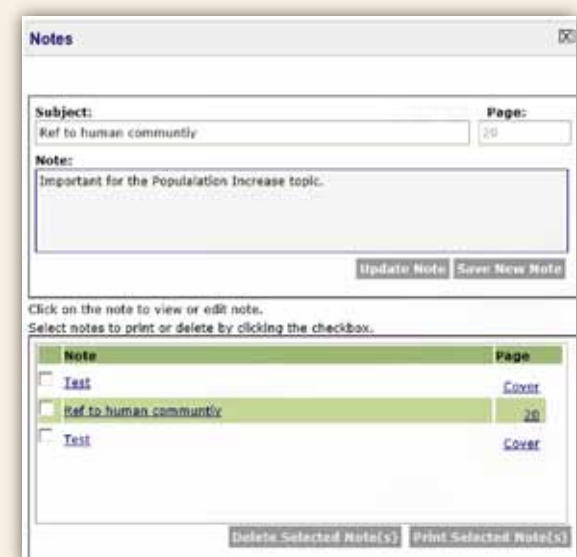

Go to topics & chapters

Search title's content

5

**LOG IN & PERSONALIZE**

You can create, save or update existing notes after you have logged using your personal credentials.
